Important information about your BMO credit card account

Interest charges and calculation: The interest rates we charge are shown on your account statement and card carrier. For information on how we calculate interest charges, refer to your BMO Cardholder Agreement (the "agreement") available at bmo.com/cha

Interest-free grace period: If you pay your balance due in full (or your total balance for customers with interest-bearing installment plans) by the payment due date, any purchases, installment plans (for customers with interest-bearing installment plans) and fees appearing on your account statement for the first time will have an interest-free grace period of at least 21 days. Otherwise, we will charge interest retroactively from the date of each purchase, installment plan conversion (for customers with interest-bearing installment plans) or fee until the date we receive payment in full. There is no interest-free grace period on balance transfers, or cash advances, including cash-like transactions and gaming transactions. If you do not pay your balance due in full, your grace period will increase to at least 25 days on your next monthly statement. Your grace period will return to at least 21 days once you pay your balance due in full by the next payment due date.

Your minimum payment if you reside outside Quebec:

Your minimum payment will be \$10.00 plus any interest plus any fees (excluding installment plan interest and fees) plus any total monthly installment plan payments plus the greater of the following: (i) any amount past due on your account statement; or (ii) any amount by which your total balance exceeds your credit limit. If your balance due is \$10.00 or less, you must pay the full amount.

Your minimum payment if you reside within Quebec:

If your credit card account was opened on or after August 1, 2019, the following minimum payment terms apply: Your minimum payment will be the greater of the following: (i) any total monthly installment plan payments, plus 5.00% of your balance due (excluding any installment plan payments) plus any amount past due on your account statement; or (ii) any amount by which your total balance exceeds your credit limit; or (iii) \$10.00. If your balance due is \$10.00 or less, you must pay the full amount.

If your credit card account was opened before August 1, 2019, the following minimum payment terms apply: Your minimum payment will be the greater of the following: (i) any total monthly installment plan payments, plus 4.00% of your balance due (excluding any installment plan payments) plus any amount past due on your account statement; or (ii) any amount by which your total balance exceeds your credit limit; or (iii) \$10.00. If your balance due is \$10.00 or less, you must pay the full amount. These terms will remain in effect until your July 2024 statement. Starting on your August 2024 statement, the percentage will increase by 0.50% annually until it reaches 5.00% on your August 2025 statement.

How we apply payments to your account: When we receive a payment, we apply it to your account as outlined in your agreement. Your payments are processed the day we receive them. You must make sure that we receive your payment on or before the payment due date shown on your account statement.

Foreign currency conversion: The exchange rate for converting foreign currency transactions to Canadian dollars (for Canadian dollar cards) and to U.S. dollars (for U.S. dollar cards) is the rate charged to us by the payment network on the date the transaction is posted to your account plus 2.50% for purchases and minus 2.50% for refunds.

Disputes: Report any items which do not agree with your records within 30 days of your statement date. For your convenience, you can also check your recent transactions at bmo.com/onlinebanking or via BMO Mobile Banking.

If you are moving to or out of Quebec: There will be changes to your terms and conditions. Please review the minimum payment details on this page and refer to your agreement available at bmo.com/cha

¹ Includes: credit card cheques (if applicable), cash-like transactions, promotional and non-promotional balance transfers.

² Excludes: promotional balance transfers
